Photo Courtesy: @SMITEGame/Twitter Pro Evolution Soccer 2018 Lite Pro Evolution Soccer (PES) is one of the bestselling video game franchises of all-time around the world. Photo Courtesy: @officialpes/Twitter The "Lite" version of Pro Evolution Soccer is free and gives players access to the Online myClub and PES Matchday Mode in addition to playing in Local and Co-op Matches and honing their skills in Training Mode. Fortnite Fortnite is arguably the most popular of the Battle Royale games to hit the tech world in quite some time. Photo Courtesy: eclipse\_images/E+/Getty Images With the world still dramatically slowed down due to the global novel coronavirus pandemic, many people are still confined to their homes and searching for ways to fill all their unexpected free time. While the games are free, most have ads that pop up during play. Pyramid Pyramid is another free option. When it comes to escaping the real world and killing a little time, it's hard to beat the magic of some PC gaming. The game uses two cards coupled together and adding up to 13 that are removed from the deck (like a six and a seven or an eight and a five). The player aims to get rid of the cards in the quickest way with the fewest moves. Eventually all the cards are cleared and the game ends. Photo Courtesy: @LeagueOfLegends/Twitter The game rewards careful tactics and good teamwork and is always free to play, but if you want to keep your character after a week or add any special features and enhancements to your game play, you will have to pay a fee. Think that sounds bloodthirsty? League of Legends League of Legends is one of the most highly played multiplayer online battle arena (MOBA) games available for the PC. MORE FROM QUESTIONSANSWERED.NET Photo Courtesy: Adobe Stock Gaming isn't just for specialized consoles and systems anymore now that you can play your favorite video games on your laptop or tablet. Each year, new editions don't necessarily offer many new features versus previous years, but they do tend to introduce gaming improvements like better dribbling and player responsiveness. In this game, you must coordinate with your teammates to destroy the opposing team's base. PC Gamer rated Smite an 86 out of 100, with particularly high marks for its arena combat. The fun of gaming gets even better when you find games you love that you can play for free on your PC. The game dumps you into a world with 99 other players, where you engage in a free-for-all battle until only a single player is left standing. Some programs store the progress and scores for you to keep up with your plays. It's part of the Microsoft software collection, and is one of the free solitaire games for PCs. The game is played using eight columns of cards lined in a row on the computer screen. You fight in competitions with up to four players, and the ultimate goal is to knock your opponent out of the arena to score points. Don't expect to master the complexities of this game overnight, but the action starts as soon as you click the "play" button. Matches take place between five-person teams that focus on destroying their opponents' bases and towers. Well, one of the best parts about the game is that you can play with your friends — regardless of which platform they have, PC or gaming console — so get ready for some "friendly" backstabbing. You basically play against yourself, with the computer as the dealer. If you're worried about what a gaming hobby could do to your tight budget right now, we've got you covered. On some PCs this game is also called Klondike. SpiderSpider is a variation of the traditional solitaire. The game also continues to make an effort to perfect the fan-favorite Master League mode.
